COHASSET HIGH SCHOOL
143 POND STREET-COHASSET MA 02025

DEDICATION

Mr. FitzGerald, the Social Studies Department Chairman, has been a great addition to Cohasset High School. Always friendly, he treats us fairly and never has a negative attitude. As we all know, he "enthusiastically teaches" and has "taken teaching to new boundaries." He has been a good friend who knows how to talk to us. Besides his understanding, honesty, and great teaching within the classroom, he has helped many of us with our college applications and recommendations, even when we weren't in his class. Mr. Fitzgerald really cares about us and wants us to learn. We're lucky to have "Mr. Fitz" as our teacher.

Mr. Lincoln, "Sam" to us, has a great personality and has been making "valiant" efforts to keep our school clean and our environment healthy. He's never at rest during the day, whether it's cleaning the Senior Study or painting blue lines on the walls. Always smiling, he has a good attitude towards us and always makes a point to say "Hi." Besides helping us out, he's willing to listen to our problems and give us good advice. Thanks to Sam and all the custodians at C.H.S. for their help. We really appreciate you.
